

## Gilbane Japan GK

### Company Description

Gilbane Building Company provides global integrated construction and facility management services. A family-owned organization with 150 years of experience and counting, our clients entrust us to deliver safe, quality projects that stand the test of time. Headquartered in Providence, Rhode Island, the company has more than 50 offices at home in the United States and abroad in Japan, Afghanistan, Ireland, and the UAE.

We are steadfast advocates for our clients, our employees, and the communities in which we work. Through community involvement, sustainable business practices, and unwavering integrity, we are always striving to be better and to do better.

Gilbane Building Company has been honored as a three-time member of the Fortune 100 "Best Companies to Work For" list and was twice listed in Crain's New York "Best Places To Work in New York City." In 2017, Gilbane was named on the Crain's Largest Construction Firms list for New York for a second year in a row, a testament to the company's strong focus on client satisfaction and reputation for quality.

Gilbane Building Company is the construction arm of Gilbane, Inc. that was founded in 1870. What began as a carpentry and general contracting shop, we have become a leading building firm, providing full construction and facilities-related services from sustainable building to the latest in construction technology for clients across various markets.
