Company Description

We were established in February 1983, and its headquarters are located in the Sanchong Dist of New Taipei City. We are a listed company in Taiwan and the TWSE stock code is 2385. After 30 years of hard work and operation, the company has become a transnational enterprise with manufacturing bases in Suzhou, Dongguan, Chongqing in China and in the Czech Republic. The company also has branches in the US and Japan. Our business centers around the manufacture of computer peripheral products. The four major product lines are input devices, portable keyboard modules, visual and image products as well as camera lens modules. Keyboards, Internet cameras and Notebook camera modules are our world-leading products. The sales of sports video-recorders and external tablet keyboards have also been growing.
