

Actio Inc

Company Description

Established in 2003, **actio** is a public relations consultancy, offering various PR services, including product communications, corporate communications, consulting, media relations, PR/Consumer event implementation, PR material production, research and media trainings.

actio has 15 employees and an office in Shibuya, Tokyo. While it has covered broad industries, actio is particularly practiced in public relations for information technology, hospitality, food, automobile, and healthcare. Majority of its employees are bilingual in Japanese and English and have extensive experience in implementing global strategy into a local market, where we actualize distinctive communications support to global clients in Japan.
