USJ LLC.

Company Description

~ Envisioning a great career path ~

We at USJ LLC will continue to challenge ourselves to expand our business through proactive future investments.
We want to grow as a company and we at Universal Studios Japan™ want to provide our employees
an opportunity to grow and develop themselves.

Having a good command of our most advanced competencies in strategic consumer marketing,
attraction development and park operations, Universal Studios Japan™ continues to deliver world class entertainment to all guests from all over the world,
under our strong hopes of "Bringing you the best of the world".

USJ LLC. will continue its main business of operating the Univeral Studios Japan™
and set a further goal as "becoming a leading entertainment company in the world."
To achieve this goal, we need those who look at the world with strong leadership,
think strategically and can deliver.

Let's challenge to deliver "World Class" to the world together with us.

We await those who feel the way we do.
