WeXpats Agent / Leverages Corp

Company Description

WHAT WE EMBRACE

We face with social issues and contribute to the feelings of our clients and employees

We do not seek to discover new technologies, nor to create a brand-new business model.

Leverages Corporate Philosophy
“Through the creation of clients, we pursue the contentment of all who relates with us and encourage the success and growth of each individual” This is what we raise as our philosophy. By facing what society lacks in its environment, system, and human resource, we pursue the contentment of every person who relates to us.

BUSINESS DEVELOPMENT

We own top service media for IT and Medical care Industry
We are a Rapid growing venture company on our 15th year, with annual sales that reaches to $451 milion

Leverages has been black ink since the start.
Although we are a rapidly growing venture company, we have a down-to-earth business model and we are advancing to be a company with stability.
