

PTS Japan - Bridge People and World -

PTS Japan K.K.

Company Description

Since its establishment in 1997 (with the headquarters founded in London, UK in 1983), PTS Japan Co., Ltd. has spent more than 20 years bridging Japan and the world as a global company contributing to society. We have been providing solutions across three key areas: Professional Services, Managed Services, and Resourcing Services, supporting the continuous business growth and transformation of clients in highly specialized business sectors.

Building on over two decades of experience, PTS Japan will further enhance its expertise to deliver high-quality services that exceed expectations, remaining the first choice for our customers.

We also promise to continuously take on new business domains and evolve as a company.
