Apex Group Japan K.K.

Company Description

We play an increasingly important role in our global financial community as it continues to evolve; standing for professionalism, innovation and quality, working in partnership to make every day count.

It's our commitment to service that allow clients to remain one step ahead.
Becoming part of the Apex family means that clients receive a competitive advantage that empowers their business and allows them to concentrate on what they do best.

Apex is a leading specialist alternative asset fund administrator, with jurisdictional and asset class expertise like no other. As the only FTSE 250 listed company in our sector employing 1,800 professionals world-wide, we are trusted and recommended because we remain accountable and responsible.

Why choose Apex?
Apex is a leading global provider of alternative assets and corporate business services. We service clients from 20 global networks spread across the Americas, Europe, Africa and Asia-Pacific.

Our Services
Apex provides clients across the globe with a wide range of complementary business services. We are experts in alternative asset and corporate administration services.

Apex has had a presence in Tokyo since 2019. Our business in Japan is focused on providing a full range of global services to the local Japanese market.

For Apex to be successful in Japan, we need to adapt ourselves to the local culture and provide services to clients that achieve the joint goals of excellent client service, in a Japanese context."
