

Baker Hughes Japan

Company Description

We are the leading energy technology company. We design, manufacture and service transformative technologies to help take energy forward.

For more than a century, our inventions have revolutionized energy. We harness the power of engineering, data, and science to redefine what's possible.

We are global

But we're local too. With operations in more than 120 countries we work in partnership with our customers, wherever they are, to deliver better outcomes. We are proud that our people and our businesses are part of the fabric of the communities in which they work.
