

## SCYLOG COMPANY LIMITED

---

### Company Description

**SCYLOG Co., Ltd. is a career change agent service**

We cover all job types, from sales and clerical jobs to IT and global job offers. We will introduce the job offer that suits your wishes and aptitude from the abundant job information.

We meet a wide range of needs from those who want to aim for career advancement and want to expand their options to those who do not know the job that suits them.

If the job you introduced does not meet your wishes, you do not have to apply, so you can change jobs at your own pace with confidence.

Correction of application documents / interview support

Take care of troublesome procedures

Negotiations such as annual income and hire date

Please be assured that we will not receive any consultation fees or service fees from those who wish to change jobs because we have received a recruitment request from a recruiting company.
