

Tanaka Ai Co.,Ltd.

Company Description

Our firm began with trade in ai (a natural dye) for Kurume kasuri (fabric with a splashed pattern) in 1887 in the City of Kurume, Fukuoka Prefecture, and we have responded to our customers with thoughts of service and appreciation predicated on a dictum of "With our customers, for our customers." We have enjoyed growing with the area and thanks to everyone who has helped us over the 120-odd years of our history we are who we are today, Tanaka Ai Co., Ltd.
