

Caterpillar Japan LLC

Company Description

Caterpillar is the world's leading manufacturer of construction and mining equipment, diesel and natural gas engines, industrial gas turbines and diesel-electric locomotives.

We are a leader and proudly have the largest global presence in the industries we serve. Learn more about our Strategy, Governance, History and Brands, as well as the values that guide our conduct.

<GLOBAL LOCATIONS>

Caterpillar's global reach and presence is unmatched in the industry. Headquartered in Deerfield, Illinois, U.S., we serve customers around the globe.

Our manufacturing, marketing, logistics, services, research and development (R&D) and related facilities, along with our dealer locations, total more than 500 locations worldwide.

Caterpillar's global presence, product breadth and financial strength enable us to win in today's competitive marketplaces.

<CATERPILLAR BRANDS>

Caterpillar Inc. has a portfolio of about 20 brands offering machines, engines, components, services and solutions to meet the unique needs of a variety of industries and customers around the world.

The Caterpillar brand represents the whole corporation and our people. Cat® is the flagship brand of products and services with customers served by our independently owned and operated global Cat dealer network.

Some of our other brands include Progress Rail, Solar Turbines, Perkins and SEM.
