

manner Japan Co., Ltd.

Company Description

MÄNNER develops high-tech solutions for injection molding applications.

We offer high-performance molds and customized hot runner technology for the production of plastic parts capable of meeting the most demanding requirements for precision and surface quality.

Founded in 1965, MÄNNER is among the industry's leading suppliers, with over 600 employees and production, sales, and service locations in Europe, the US, and Asia.

MÄNNER has been part of Barnes Group Inc. since 2013.
