E&E Solutions Inc.

E&E Solutions　Inc.

Company Description

E&E Solutions was founded in 1972 as Chiyoda-Dames & Moore Co., Ltd., a joint venture company between Chiyoda Corporation of Japan and Dames & Moore of the United States. At the beginning of the 21st century, our company changed its name to E&E Solutions. Therefore, our staff have the capabilities, the worldwide experience and the project management expertise to develop and provide the best solutions for complex or controversial projects based on the long history of technology exchanges and collaboration works with the former parent company.
