

BLITZ Marketing Co., Ltd.

Company Description

BLITZ Marketing's corporate culture has a clear "growth orientation" and "novelty". These elements are deeply ingrained in our culture, driving vitality and innovation throughout the organization.

■Growth orientation

"Growth-oriented" is in our DNA.

We aim to balance the development of the organization with the development of individuals, and invest sufficient time and money into recruitment and training.

We focus on skills and careers, and create an environment where you can grow while actively incorporating new knowledge and experience.

We believe that our members can reach their full potential and that individual growth leads to the growth of the entire organization, leading to sustainable success.

■Novelty

We value novelty and respond flexibly and quickly to changes in the market.

We pursue growth opportunities by taking on new markets and initiatives, and building new business models and strategies.

The average age of our employees is 28 years old, and we work in an environment filled with positive energy, where we enjoy challenges without fear of failure and maintain our competitiveness.
