AMCON INC.

Company Description

Our job is to **"Providing amenity and convenience beyond expectation."**

We wish to be always the preferred choise for you and worth the choice.

Our corporate philosophy is "to provide plants and facilities with amenity and convenience which are beyond expectation." Looking toward embodiment of this philosophy, we named the company AMCON. The name is derived from **Am**enity and **Con**venience.

We, AMCON, are gruop of people who seek to be the top company providing the top service, by the top people, with the top techinology.
Since the foundation in 1974, we have had setbacks and yet we have survived. That is the result of our dedication to customers. Not just by selling products or services, we have listened to the customers and tackled their problems together. We believe it is also a sign of our customer's trust in us. We are grateful for that.
We wish our customers will always find it eary to turn to us wheneer the have problems. We wish to be always the preferred choce for them. To this end, we will continue our tireless efforts toward a first rate company and innovation.
