

クロスパス・アドバイザーズ株式会社

Company Description

Providing smart solutions for global investors seeking the best returns

Crosspath Advisors, Ltd. is a firm that strives to provide investment management solutions and real estate advisory services for our clients.

The majority of our clients are global private equity funds, institutional investors, and family offices.
We are proud to provide bilingual, efficient, and value-added solutions suitable to your needs.

“Crosspath” was named after the concept of “crossing paths” with professionals, investors, and clients in dealing with transactions and investments. We “cross paths” within Japan and globally.

In 2013, we started our business in the principal investment and advisory/brokerage areas.
By 2015, we were registered as a member of the Financial Instruments Business Operators (Type II and Investment Advisory), launching the real estate asset management business.

Our assets under management encompass various asset classes such as residential, hotel, vacation rental house, resort, and industrial assets.
In making developmental real estate transactions as well as cash-generating asset transactions, we often apply GK-TK or TMK, common real estate financing structures in Japan.

We will utilize our expertise in providing quality services for our clients.
