

A'alda Japan 株式会社

Company Description

"Pet" to "Partner"

- From member of family to member of society

A'alda is a global company that develops business mainly in Asian countries with the vision of "Pet' to 'Partner' – From member of family to member of society". Since our establishment in 2019, we have been developing veterinary hospital business in India and Japan. As the best partner of animals, we will pursue the happiness of humans and animals by tackling the issues of modern society.
