Air Aroma Japan

Company Description

We are Air Aroma

Air Aroma is a scent marketing agency founded in Melbourne, Australia and based around the globe. Driven by minimalist, refined design and bespoke aromas, we design, develop and implement unforgettable scent experiences by way of ambient scenting and custom branded products. As the industry leader with twenty years of experience and a dedicated team of perfumers, storytellers, and designers, we've created custom scents for some of the most well-known and luxurious brands. Air Aroma has the expertise to transform a brand identity into a scent, surpassing what is only seen, and into what is felt. As our sense of smell taps into memory and emotion, a signature scent can unlock the essence of a brand. We take pride in delivering market leading environmentally safe and sustainable products, offering a wide array of thoughtfully designed scent creations and a full spectrum of delivery methods. Trusted by the biggest brands worldwide, our diffusion equipment is made in house and uses patented cold air diffusion technology to create an unforgettable ambiance. We believe in impactful experiences, inspiring spaces, elevated design, and meaningful connections.
