Ace Hotel Kyoto

NTT Urban Development Hotel Management Corporation

Company Description

Ace Hotel Kyoto

A love letter to the cultural capital of Japan, created in honest dialog with its past and future legends.

- **Rooms**
  East meets West in a celebration of Kyoto's legacy of craft and beautiful, functional design.

- **Eat + Drink**
  Seasonal, homespun cuisine and cocktails from internationally-acclaimed chefs, all under one roof.

- **Private Spaces**
  - Meetings
  State-of-the-art space to think big and build the future.
  - Weddings Congratulations on finding The One.
  We love weddings, and we're committed to making your special day unforgettable. With three three flexible meeting spaces designed in partnership with legendary architect Kengo Kuma and Commune Design, we're ready to host any wedding you can imagine. Get in touch to talk catering, vendors, group rates and all of your wedding day needs.
  - Private Events
  So many spaces to create memories of all shapes and sizes.
