

Mahana Corporation Co., Ltd.

Company Description

To realize customers' dreams

We strongly believe that technology is nothing but a tool.
It can never be the goal in itself.

Yes, we believe that technology is important, but our goal is not to use it.

Our goal is to help all customers with realizing their dreams.

Our Business

Mahana Corporation is a Japanese website design company, located in the center of Shibuya, Tokyo.

We offer various web-related services to not only local but also international companies and organizations around the world.

- Website development in Japanese, English, Chinese (Simplified Chinese / Traditional Chinese), Korean, Thai, and other languages.
- Japanese SEO (Search Engine Optimization) for Google, Yahoo Japan, and Baidu.
- Web marketing consulting for the Japanese market
- Web advertisements
- SNS (Social Network) marketing
