Company Description

Creating Life-changing Schools and Places

The CEA Group is a pioneer in creating new educational pathways and experiences. We build life-changing schools and places for generations to come.

Since its inception in 2004, the CEA (Clarence Education Asia) group has been developing and operating best-in-class British international schools, and now enjoys an expanding real estate portfolio across Japan.

CEA flagship education brands include

- Clarence International School
- Phoenix House International School
- Rugby School Japan

Through its management and investment consulting arm, CEA has lent its expertise to the British Council, the Eiken Foundation of Japan, and British Public Schools.
