

## Intergraph Japan K.K.

### Company Description

Hexagon (Nasdaq Stockholm: HEXA B) has approximately 23,000 employees in 50 countries and net sales of approximately 4.3bn EUR.

Our technologies are shaping production and people-related ecosystems to become increasingly connected and autonomous — ensuring a scalable, sustainable future. We believe in a world where economic growth does not come at the expense of the planet and its people, and that we should drive sustainability efforts in every aspect of our business.

At our very core is a powerful vision of a future where data is fully leveraged so that business, industry and humanity sustainably thrive.
