

AINEO Networks

Company Description

"Bright, Quality of Life"

AINEO Networks (pronounced EYE-NEY-OH) was founded by engineers who started by doing consulting for Fortune 500 companies in Japan in 1996.

AINEO's team has a distinct ability to effectively apply technology to generate revenue for the clients that are in high demand. It has been the strength of AINEO ever since.

AINEO Networks is a regional provider of cloud servers, telecommunications systems, technology systems, support, and service. One of AINEO's most important traits is that our team remembers our consulting roots at every site we are entrusted with, consistently re-evaluating the systems, products, and processes implemented to better serve and help the client.
