

Asyatt.

株式会社Asyatt.

Company Description

Asyatt. is a Travel Experience Partner designing one-of-a-kind experiences.

Our designed programs are created for the purpose of NATURING YOUR EMPOWERMENT - Interacting, nourishing, indulging and embracing NATURE. By throwing yourself into this process your empowerment is recuperated. Our experience partner will guide you from the moment of booking until departure to your next destination.

Join your voyage.

Embrace Nature with Humility, Recoup Wholeness and Proudness

Asyatt. is an English reading of the Japanese word Ashiato, which means "footprints".

Ashiato is our way of life; to appreciate the presence of those who have lived in nature and create a cycle in their footprints. The footprint you create on this journey on this journey last beyond your experience.
