#### Company Description

Kensington Diamonds is a Tokyo based retailer of fine diamond jewellery.

We specialise in engagement rings, eternity rings, earrings, tennis bracelets and yellow diamonds.

You deserve only the very best, and our mission is to help you find the highest quality diamond available within your budget.

If you are looking for a diamond of 0.50 - 5.00 carats, we are confident we can offer you a service unlike any other in Japan.

One-on-one appointments are available in English or Japanese at our comfortable showroom in Omotesando.
