TAKTOPIA & Co.

Company Description

TAKTOPIAworks with public and private schools(and local/ national governments on occasion) in Japan to create an educational environment that nurtures opportunity for students and increases the capacity of teachers. We run and teach at oversea & within-Japan camps, help design school curriculum, and partner with different organizations and individuals to bring diverse educational offerings. TAKTOPIAwas founded running entrepreneurship camps, but we have since designed art programs, projectbased learning programs, English education programs, among others.
