

Smith & Associates Far East Ltd.

Company Description

Founded in 1984, Smith sources, manages, and distributes the electronic components that go into everything from mobile phones and computers to appliances and automobiles. Smith is the leading independent distributor of electronic components and ranks number seven among all global distributors.

In 19 cities around the world, our legion of employees communicates in 50 different languages and dialects and buys and sells components 24 hours per day, with global sales in excess of \$12 billion over the last five years. We're always moving; helping manufacturers navigate market shifts, customizing supply chain solutions, testing components using cutting-edge technology, and more.
