World Brands Collection Hotels & Resorts, Inc.

Company Description

World Brands Collection Hotels & Resorts Co., Ltd are engaged in hotel development and operations. Our goal is to create a unique offering from Japan and chosen by the world. By partnering with top hotel brands that have unique concepts and are highly regarded worldwide, we leverage all of our specialized experience, knowledge, personnel and organizational structure in hotel management and operations in Japan to ensure we deliver a reliable hotel management service. We create and provide “experiential value”, that allows guests to truly feel the charm and culture of Japan through unique experiences that touch the heart, environments that resonate with the senses, and moments of rich cuisine. We aim to expand memorable hotels that captivate guests from around the world and across Japan and continue to strive for growth and further advancement.
