

Scorp Inc.

Company Description

Scorp Inc. is a fast-growing mobile-focused tech company based in Istanbul and San Francisco reaching millions of users worldwide!

We have created a number of mobile applications, including the 'world's most genuine social network' Scorp app. With over 16M users worldwide, Scorp app has successfully re-defined the social network in Turkey. Now, we are on a mission to redefine the social and entertainment scene with our newly launched mobile applications.

We have more than 100 million registered users. We are available in more than 100 countries. Our applications support more than 25 different languages, constantly top-ranked and available on both IOS Appstore and Android Google Play.

We value preserving our start-up culture while growing. We are building a culture with hard-work and constant learning. We are creating an environment in which every voice is heard and every contact brings innovation.
