

Ritatsu Soft Inc.

Company Description

LZT Group, established in November 1996, is specialized in software development for Japan, with branches in Tokyo, Nagoya, Beijing, Dalian and Jinan. LZT has passed the "CMMI3" and "ISO27001" certification of key software enterprises.

LZT's main services cover from design and development to upgrading and maintenance of the system for various industries, such as finance and security, life science, logistics, etc. Under the concept of high quality and continuous improvement of service, LZT has won the trust of customers in Japan and established a long-term cooperative relationship throughout decades.

In order to promote the further development of the enterprise, LZT joined French ALTEN Group in 2020 and became one of the important members of ALTEN Group in the Asia-Pacific region. LZT will take this opportunity to further expand its scale and improve its development capacity to better serve existing customers and expand the market.

ALTEN Group (hereinafter referred to as ALTEN), founded in 1988, is a French engineering and technical consulting company. ALTER is listed in the Europa Paris Market (ISIN FRO000071946), and the company is presented in more than 30 countries. ALTER covers the entire development cycle, providing a variety of service levels from technical consulting to full project outsourcing.
