

Financial Partners Group Co., Ltd.

Company Description

FPG Group provides financial products and services, primarily focusing on Japanese-style operating leases, fractional real estate investments, and U.S. real estate investment products. Serving small and medium-sized enterprises across Japan as well as high-net-worth individuals, the Group addresses a wide range of needs and challenges. In addition to its three core businesses, FPG has expanded into new ventures, including a private jet service using HondaJet (Only You Air) and co-ownership platforms for art and supercars (AND OWNERS).
