Company Description

Qeelin fine jewellery - A playful fusion of oriental symbolism and modernity

Since Qeelin's founding in 2004, every piece of jewellery has carried rich cultural connotation, reinterpreting traditional symbols with stylish designs intended for daily wear, infusing new life and contemporary meaning to Chinese heritage.

Named after the Qilin, an auspicious Chinese mythical animal and icon of love, Qeelin fuses unbridled creativity with excellence in craftsmanship. It brings a touch of playfulness and surprise into the world of fine jewellery. Wulu is Qeelin's most iconic collection, a stylish expression of good fortune and positive energy, a magical balance of lines and curves.

Qeelin is part of the global Luxury group Kering.
