

ON THE PAGE, Inc.

Company Description

On the Page Co., Ltd. was established in April 2026 through the management integration of Novarese, Inc. and ESCRIT INC. Centered on its bridal business, the company operates across a wide range of sectors, including restaurants, hotels, travel, and recruitment, positioning itself as a "Total Life Stage Brand" that supports people through the key moments of their lives.

With weddings as a core offering, the company provides fully customized experiences that reflect each customer's unique vision, creating meaningful and memorable moments. By accompanying clients through various life events beyond weddings, On the Page continues to deliver services that truly move people.

The company's strength lies in its integrated business model, managing planning, operations, and service delivery in-house. By leveraging group synergies and continuously embracing new challenges, it delivers high-quality, value-added experiences while adapting to the evolving needs of society.

Looking ahead, On the Page remains committed to creating value that resonates with people and to growing as a company that continues to be trusted and needed by society.
