

## Manga Productions K.K.

### Company Description

Manga Productions is a subsidiary under Misk Foundation. Its activities are focused on producing and distributing animation features and video games. As well as develop local talent within the same fields.

Established by H.R.H. Prince Mohammed Bin Salman, MiSK Foundation is a non-profit organization dedicated to fostering and encouraging learning and developing youth skills for a better future for the kingdom of Saudi Arabia. To achieve this, the Foundation focuses on the interest of the young people throughout the country and provides various means to nurture and empower talent. It will support the pillars of knowledge of future society, by empowering the Saudi people towards learning as a means of advancing and progress in areas like technology, cultural and media.

Manga Productions was established under MiSK Foundation to do the following:

- Tell inspiring stories through attractive and innovative channels
- Transfer the technologies and knowledge of the content creation industry from leading countries to Saudi Arabia
- Foster the development of a high-quality creative industry in Saudi Arabia and the Arab world
- Support Saudi and other Arab creative talents in the content industry and develop their skills and capabilities
- Spread ethics and positive values amongst the youth
