i-Admin Japan K.K.

Company Description

We saw a shift in how modern HR teams want to work. They need more control, less complexity, and tools that scale. That's why we launched ePayslip (i-Admin) - a standardized SaaS payroll and HCM platform built on the trusted foundation of i-Admin's technology, now made simple and accessible for growing teams.

ePayslip's Vision, Mission, and Core Values
VISION

To redefine ease in payroll and HR by creating Asia’s most intuitive and scalable platform. Built on principles of trust, compliance, and social responsibility to empower organizations and their people to thrive across borders.

MISSION

To make work easier for every organization by redefining how payroll and HR are managed making it simple, connected, and built for the modern workforce.

OUR CORE VALUES

Transparency. Responsibility. Reliability. Innovation.

We build trust through clear communication, ethical operations, and dependable delivery.

We innovate continuously to make payroll and HR simpler for every organization, employees, clients, partners, and communities across the region.
