

ONODA

ONODA Inc.

Company Description

Mission statement

Achieving the happiness of all employees through corporate activities Contributing to the progress and development of society

Management philosophy

Be grateful to all involved Respond in good faith and act without forgetting humility Creating a corporate group that represents Japan with effort, guts, and a spirit of challenge

Message

Since its founding, I have always kept it unchanged. Never forget the feeling of gratitude, realize the happiness of all employees through corporate activities, and contribute to the progress and development of society. We will continue to aim for more global expansion centered on our activity bases in Japan and Bangladesh.
