NOZO HOTEL

Parkwood Hotels Furano

Company Description

Freedom to enjoy, discover in your own style

There are numerous ways to collect memorable moments,
from experiencing the nature outdoor, gourmet explorations in Furano and Biei,
relax with a glass of wine on the hotel terrace, soak in the bath or simply do nothing at all.
Nozo Hotel is your hub to have a fulfilling time.

Nozo Hotel is located in the nature-rich town of Furano, Hokkaido, which is situated in the center of Hokkaido. To the east, you can enjoy the view of the Tokachi Mountain Range, while to the west, the Yubari Mountains can be seen. The hotel is surrounded by numerous unique Hokkaido trees, creating a vast landscape that cannot be experienced in mainland Japan. In spring, you can witness the gushing water flow of the rivers when the snow melts. In summer, the land is adorned with a variety of colours, including lavender. Autumn brings the harvest festival, and in winter, the area is enveloped in white high-quality powder snow, making it enjoyable throughout the year.
