

WPIC Technology Japan G.K.

Company Description

Accelerating Digital Growth in Asia

WPIC has supported the expansion of more than 650 brands across China, Japan, and Southeast Asia, leveraging over 15 years of on-the-ground experience to lead the transformation of Asia's consumer market.

From data analytics and experiential e-commerce to logistics, we provide full-service solutions tailored to the needs of companies across a wide range of industries.

Our teams across **Beijing, Hangzhou, Nanjing, Vancouver, Hong Kong, Tokyo, Toronto, Saint John, Québec City, and Sydney** work together to connect brands with consumers throughout the Asia-Pacific region while ensuring seamless business operations.

WPIC has also earned international recognition as a rapidly growing global company, including being named one of Canada's Top Growing Companies.

We bridge the gap between global brands and their customers — wherever they are.

Careers

Be Remarkable

In today's fast-changing global market, we continue to take on new challenges and create meaningful value.

At WPIC, you will have the opportunity to think independently, take initiative, and grow at the forefront of cross-border business.

We welcome passionate and driven individuals who aspire to build a global career, deepen their expertise in e-commerce, marketing, and technology, and embrace new challenges with ambition and creativity.
