

FREYR LIFE SCIENCES LTD

Company Description

Freyr Solutions is the largest, global, Regulatory solutions and services company that offers end-to-end Regulatory solutions to life sciences industries. The services include Regulatory affairs, pharmacovigilance, clinical research, quality management, and technology solutions such as Regulatory information management systems and Regulatory data integration. Freyr's expertise in Regulatory affairs makes it a trusted partner for life sciences companies seeking to navigate the complex Regulatory landscape.

Our Vision

"To be the essential partner to manage global Regulatory complexity and market safe and compliant products in local countries."

In order to succeed, we must first believe that we can, and we strongly believe the future is not something we enter, it is something we create.

And we are here to create a compliant pathway for our customers' global market entry.
