

Manjuu Co., Ltd.

Company Description

Manjuu Games (Manjuu Co., Ltd.) was founded in January, 2015.

Our main title is the ACG mobile game AZUR LANE. The mobile game itself and relevant products have been launched and distributed in domestic and overseas markets and have seen great success. Manjuu Games has always been striving to continue innovating and improving our original game and have also ventured into other areas such as anime, comics, merchandise, and so on. Furthermore, we also have other projects currently under development, waiting to be launched!
