GLBB Japan K.K.

Company Description

Mission :: To Connect
We provide high qualified connectivity
that enables every person to feel "connected".

MISSION

From designing to operating,
we provide
one-stop Internet services.

At GLBB Japan, we believe that whether you are an individual, small or large business, everyone needs to be given the opportunity to access information using an optimal communication platform.

For businesses, this translates into higher productivity.

For personal use, this translates into less frustration during peak hours – no more buffering watching your favorite entertainment on 4k resolution.
