# PROGRE Ltd

## Company Description

**At PROGRE Inc.,** we specialize in IT-related recruiting and staffing solutions, offering support for permanent, temporary, and contract positions. We also introduce exciting IT opportunities to registered candidates considering a career change.

We offer not only permanent positions but also temporary and contract opportunities based on your preferences. After registration, we provide comprehensive consulting services for your career change, including one-on-one meetings to discuss your situation, resume writing advice, market information, and interview preparation.

We are more than just a recruitment agency matching job seekers with employers. We listen carefully to both sides, addressing HR and hiring challenges while supporting career development.
