

VIKING Life-Saving Equipment K.K.

Company Description

VIKING Life-Saving Equipment is a global market leader in maritime and offshore safety, providing and servicing safety and fire-fighting equipment for passenger and cargo ships, offshore installations, fishing vessels, the navy, fire departments and leisure yachts.

VIKING is a privately held corporation founded in 1960 with group headquarters in Esbjerg, Denmark. Products are manufactured in Denmark, Norway, Bulgaria and Thailand.

VIKING offers a broad range of off-the-shelf and tailored safety solutions and systems certified in accordance with the latest requirements of the IMO, SOLAS, EU and USCG.

The product portfolio includes chute and slide-based marine and offshore evacuation and crew transfer systems, liferafts, lifejackets, immersion suits, fire suits, work suits, pilot suits, helicopter transportation suits, MOB boats, davits, pilot ladders, signs, and other lifesaving appliances.

With 3000+ employees worldwide, the unique VIKING network of agents, 82 branch offices, 288 certified servicing stations and worldwide stock points makes VIKING a truly global provider at convenient locations in all significant markets.
