

Suzuyo & Co.,Ltd.

Company Description

Innovation in society through logistics

Challenge together,create together

Suzuyo has a history of more than 220 years, in which we have developed a variety of businesses focusing on logistics. This was made possible due to the fact that we have managed to adapt to the changing times and have kept relevance through self-innovation to be an entity always needed by society in accordance with the spirit of "Tomoiki (Symbiosis)" - the backbone of our business.

We will keep this effort of challenge and innovation and contribute to our customers, and eventually, to the society as a whole.
