

ARCSTERIA CONSULTING LLC

Company Description

ARCSTERIA CONSULTING is a consulting company that solves "management issues" and "business issues" for our client companies.

We are developing our business with a focus on consulting for the implementation of IT solution especially in the HR area such as SuccessFactors and BI tools used for HR data analysis, etc., as well as the sales of product licenses.

Our professionals with more than 10 years of experience in the HR area for providing IT and business strategy consulting services to help our clients solve their issues.

■Core Values and Philosophy

- #1. Always confirm and think about the proper way
- #2. Create the highest value required in current world
- #3. Take the initiative and act quickly
- #4. Strive for the highest level of human resources
- #5. Live the best life with the best colleagues

■Purpose

We aim to be "a group that provides the highest level of value in all areas" in order to make people's lives better, to enrich people's lives, and to further expand the scope of human experience.

■Mission

To provide direct consulting services to the top 100 companies by market capitalization that are working to enrich people's lives on a global scale.
