

Komatsu Pakistan Soft (Pvt.) Ltd.

Company Description

Komatsu Pakistan Soft (Pvt.) Limited (KPS) is a subsidiary of Komatsu Group of Companies based in Japan. We specialize in enterprise software application solutions, IT consultancy and outsourcing services. Established in 1999, KPS has been able to evolve into a highly reputable entity within Komatsu group as well as across the global IT industry.

KPS offers software development and consultancy services to Komatsu Group of Companies in Asia Pacific, Middle East, Europe and USA, providing top notch software products and total solutions precisely tailored to client's needs and requirements. One of the distinguishing features of KPS is its highly professional, skilled and motivated team who believe in going above and beyond in serving client's expectations and requirements. These feats are achieved by proactive quality assurance methods, on-going management reviews and continual improvement based on customer feedback.

Quality work, timely delivery, comprehensive solutions and competitive prices are some of the distinguishing features of KPS, making it a leading choice for clients from around the globe.
