

SHUNZAN KAIUN Co.,Ltd

Company Description

Since it was established in 1972, Shunzan Kaiun has been challenging in various fields in the shipping market, as a Ship Owner and Manager of domestic and ocean-going vessels.
Rather than focusing on the scale of business, we want to continue working on bringing delight to our partners by providing better service from our employees.

We are making continuous efforts for sustainable management with the large RORO vessel as the heart of our Domestic Shipping service and the Bulk Carriers mainly Cape size bulker as the heart of Global Shipping service.

Fully utilize our experience of many years through our motivated employees, we tackle the tasks developing day by day and always strive to continue being your reliable good business partner in all sincerity.
