LINKTIVITY Inc.

Company Description

OUR MISSION

CREATING A SEAMLESS, BORDERLESS WORLD

OUR SERVICES
LINKTIVITY system integrates both E-ticket booking system for travel agencies, and E-ticket exchanging system for activity suppliers, allowing purchase process to drop seamless from booking to exchanging.

OUR VALUES
By promoting digital transformation (DX) and online integration for transportation system, tourism operators, and local governments, we connect local activities through various sales channels to overseas travelers.
