IHI Hauzer Techno Coating B.V.

Company Description

Elevate your product performance to the highest level with our PVD coating solutions

Your partner for plasma

The right coating can improve a product's performance dramatically, with increased wear resistance, reduced friction or protection against the elements. Hauzer specialises in manufacturing top-of-the-line physical vapor deposition (PVD) coating equipment with a flexible, modular design that can provide the optimal solution for your business. With our robust systems, wide range of technologies, continuous innovative spirit and focus on partnership and lifetime support, Hauzer can be sure to add value to your sustainable products and services.
