Hotel Kailani

Company Description

Who we are

In 2019, Hotel Kailani started as a family business with “aloha”
at the center of how we think and what we do.
“Kailani” brings together the Hawaiian words for
“ocean” (Kai) and “sky” (Lani) to evoke an image of the horizon –
“Where the Ocean Meets the Sky”. We wanted Kailani to be a meeting place for friends, families, and colleagues to create lasting memories surrounded by the natural beauty of Izu Oshima. It symbolizes our commitment to look ahead and welcome each guest at Hotel Kailani, as if it were their “home”, a place to return to again and again.

Meet the Kailani Ohana

With our Hawaii roots and many years living and working in Japan,
our aim is to fuse the best of Hawaiian “Aloha” and Japanese “Omotenashi”
to provide a memorable experience for our guests.
Beyond providing comfortable accommodations, our goal is to share the spirit of “Aloha” with our guests and the local community. By hosting live Hawaiian music, art and cultural events we deepen the bonds between Izu Oshima and its sister island of Hawai’i.
